Dear Brothers and Sisters at First Baptist Church London:

Thanks so much for your important contribution to our church's flood relief efforts. It has been such a blessing during this time of need.

**Thank you from
Thailand**

Your donation has helped us provide a local Thai Christian Church with funds for food preparation and cleaning up equipment. This church prepared for 4 consecutive weeks approximately 200 meals daily to be distributed to flood victims. They also had Bible students work together cleaning up houses and local Thai Christian churches. We were able to help out buying produce, packaging and distributing meals with them in several occasions. Also a water pressure pump, along with cleaning supplies were donated.

Thanks once again for helping God's love touch so many lives.

In Jesus love,
*Chaengwattana Community Church
